

CO-PRODUCTION STAR INTRODUCTORY WORKSHOP:

Harnessing the potential of co-production

Learning objectives:

1. What user and community co-production is and its potential for your organisation
2. How to put the four Co's of the Co-production Star into practice: co-commission, co-design, co-deliver, co-assess
3. How to develop and deliver a co-production strategy – the five Steps of the Co-Production Star
4. How your organisation can achieve better results with co-production (taster session with the Governance International Co-production Explorer)

Co-production Star Introductory Workshop (half-day)

Programme

 @govint_org, #commissioningoutcomes

13:00 – 13:15 Introduction, poster session and ice-breaker

Facilitated by Governance International

13:15 – 13:45 What is co-production and why does it matter for your organisation and local communities?

Group work: Benefits of co-production with service users and local communities

13:45 – 14:30 **The Four Co's of the Co-Production Star: Good practice in co-production**

Detailed presentation of case studies

14:30 – 15:30 How to achieve better results with co-production in your organisation and local communities

Group work: Taster session with the Co-Production Explorer, and plenary discussion

15:30 – 15:45 Break

15:45 – 16:00 How to achieve better priority outcomes through co-production? The five Steps of the Co-Production Star
